ABOUT US

Athletes Helping Athletes, Inc. exists to better the life of the special needs athlete. Since our founding in 2001, we have raised hundreds of thousands of dollars for various charities and organizations through our sponsored events, individual team fundraisers and in-kind donations.

AHA, Inc. is extremely grateful for the volunteers, the generosity and the compassion shown to our special needs community. We are amazed at the energy, the passion, and the innovative ideas that each and every school has put into their individual fund raising efforts, plus their individual Honorary Captain Program.

We may have started this endeavor with the goal of teaching our high-school children that it is better to give than to receive; but, in fact, it is through the actions, eyes and smiles of all of the student-athletes who have truly fueled our hearts with the love to continue our quest.
