HOMES FOR OUR TROOPS®**

Homes for Our Troops is a national non-profit, non-partisan 501(c)(3) organization founded in 2004. They are strongly committed to helping those who have selflessly given to our country and have returned home with serious disabilities and injuries.

HFOT assists severely injured Servicemen and Servicewomen and their immediate families by raising donations of money, building materials and professional labor and coordinating the process of building a home that provides the maximum freedom of movement and the ability for the veteran to live more independently.

The homes provided by Homes for Our Troops are at NO COST to the veterans they serve.
