

Run for Michael

In honor of Michael Barner. Michael is an 12 year old Vineland resident who has aplastic anemia, a rare bone marrow disease and is currently in the process of a bone marrow transplant. The community was very good to Michael and his family during the last 2 years and they wanted to give back to the community.

Proceeds will benefit the Aplastic Anemia Foundation and the Dream Foundation.

The Dream Foundation is a local non-profit organization whose mission is to raise money to be used to help families with ill children, strapped and burdened by medical and household bills and not able to make it on their own. The Dream Foundation will provide them with hope, assistance and caring.
