The 2011 Robin Hood Run/Walk

The Robin Hood Project helps hundreds of needy families of Cumberland and Salem Counties by providing basic needs such as furniture and clothes.

Why should you support The Robin Hood Project?

We help hundreds of families every day by providing the vital basics for living (furniture, linens, kitchenware, clothing, etc.).

How does the Robin Hood Project get the job done?

We take all donated household items from our friends and neighbors – just like you. With one phone call, our volunteers pick up and store items until they are needed.

Next, we give to families in need.

When we receive calls for assistance, The Robin Hood Project delivers any aid and comfort we can provide.

In addition to directly helping families in our community, The Robin Hood Project works with local non-profit organizations and educational programs. We help support The Family Success Center, Cumberland County Special Health Services, The Early Intervention Program of South Jersey Healthcare, The Spanish Community Center, Cumberland Special Health Services and Pathstones. Our goal is to continue our work on a local, small and personal level to ensure that we can serve the neediest residents in our community.

You can help a needy family by becoming a Robin Hood Project Run/Walk sponsor. The funds raised go directly to fulfill our mission of serving local families. **Become a sponsor TODAY and make a difference in the lives of others.**
